

We are pleased to extend an invitation to BIS Shrapnel's 7th  
**New Zealand Building and Construction  
Forecasting Workshop**

**This half-day Workshop provides a forum for the presentation of BIS Shrapnel's latest New Zealand building and construction forecasts, and a concise overview of major issues affecting the building industry.**

The purpose of the Workshop is to provide attendees with an understanding of the outlook for all sectors of building and construction activity and a grasp of the drivers of the New Zealand economy. Detailed forecasts will be presented for the residential and non-residential building sectors for the three years ahead, by North and South Island.

The session will provide attendees with valuable tools for planning and budgeting. Current subscribers to our *Building and Construction in New Zealand* service are entitled to three complimentary seats. Non-subscribers may attend the Workshop for a fee of A\$650. Attendees will receive a set of papers to supplement the presentation.
