

## BIS Foodservice

BIS Foodservice has for the last 25 years provided research and analysis into the food and beverages industry, and in particular the foodservice market, drawing on our two core competencies:

- Market research & market intelligence
  - Forecasting

BIS Foodservice runs continuous information services in Australia as well as in-depth country reports in another 17 markets in Asia and The Middle East.

For further details about our business and studies please visit our website:

[www.bis.com.au](http://www.bis.com.au)

(click on Foodservice).

### Inquiry & consultancy facility

Our consultants are continually available to clients who want to discuss trends, developments and market estimates. We are contactable via telephone and email and will seek to facilitate face-to-face meetings whenever possible.

**BIS Foodservice** offers an integrated research solution in the foodservice market.
